

OCCUPATION-SPECIFIC LANGUAGE TRAINING

PROJECT MANAGEMENT

FREE PROGRAM FOR ELIGIBLE NEWCOMERS TO CANADA

OSLT Project Management is an intensive program designed specifically to help newcomers who have educational training and/or experience in Project Management from outside Canada. This course will provide you with the technical work-related language skills you require to enter and be successful in your profession in Canada. All OSLT graduates will earn a Humber certificate. **Job-search support and mentoring opportunities are also available.**

- Improve work-related language skills
- Understand Canadian workplace culture
- Improve speaking, listening and pronunciation
- Interact effectively with colleagues and clients
- Develop strong interviewing and networking skills
